

Sept. 12-13, 2019 // Montgomery, Alabama // Renaissance Montgomery Hotel & Conference Center

CARIA invites you to be a part of our upcoming Annual Meeting. Your sponsorship helps us to keep registration fees down, thereby increasing our number of attendees and allowing us to put on a quality program. And it helps you—by tying your company or organization’s name to the worthwhile endeavors of CARIA, which, for 129 years, has worked to further the economic development of our rivers.

Our rivers have great, often untapped, potential for economic development in all aspects of navigation, hydropower, recreation, water supply, flood risk management, and environmental stewardship. Nothing is more crucial than the proper management of these valuable resources. Your sponsorship will recognize the importance of that goal.
